

## TECHNICAL SPECIFICATIONS

### 1 Stand equipment

1.1 The Festival Management will provide the stands with the following equipment:

**3 sqm:** rear wall, shelves, 1 information counter, 1 spotlamp, stand sign, carpeting, 1 chair, dustbin

**6 sqm:** surrounding walls, ceiling, shelves, 1 lockable counter, 3 spotlamps, stand sign, carpeting, 3 chairs, 1 table, dustbin

**12 sqm:** surrounding walls, ceiling, shelves, 1 lockable counter, 6 spotlamps, stand sign, carpeting, 6 chairs, 2 tables, dustbin

### 2 Additional stand equipment

2.1 Electrical power is not provided at the stands except for the lighting. Should an Exhibitor wish to operate electric equipment at their stand, the electric connection must be ordered in advance (see Additional stand equipment, 3-fold socket).

2.2 Additional equipment can be rented at extra costs (see Additional stand equipment).

2.3 The Exhibitor may also rent an empty stand and fit it out themselves. By 'empty stand area' only the *area* is to be meant, without the walls, lamps and carpets etc. The electric connection for the empty stand area may be ordered in advance on the sheet entitled Additional stand equipment.

2.4 Empty stands are not provided with a stand sign, which may be ordered separately.

2.5 At the close of the Festival the stand equipment must be returned in unharmed condition. The price of any stand equipment damaged or destroyed by the Exhibitor will be charged to them at replacement cost.

3 The Exhibitor may put up their equipment and place their decoration within the rented area only. Any decoration or advertising material outside the rented area will be removed at the Exhibitor's cost.

4 The aisles between the stands, as well as exits and emergency exits, must be kept free in their full width and must not be blocked or narrowed by fixtures or by moveable objects, such as furniture or displays, in any manner whatsoever.

Name of Exhibitor: .....

The deadline for ordering any additional equipment is March 14, 2019. After the deadline, additional equipment may be rented with a 100% surcharge added by the constructors. The bill for the additional equipment must be paid in cash (in HUF) to the Festival's subcontractor.
